**IB Diploma
& IGCSE**

“I’ve been in a lot of international schools here, and the Westbourne experience is drastically different. One of the most valuable parts of being at Westbourne is how they treat you as a young adult — it makes the transition to the workforce much smoother and gives you a real sense of achievement.”

GABRIEL, IB STUDENT (2024)

Our mission is clear

To develop future ready leaders with the curiosity, creativity, and capability to shape a rapidly developing world.

Our results speak for themselves.

Westbourne redefines education with a future-focused, global approach that prepares 14–18-year-olds for career success well before university.

Students are treated as young professionals, gaining independence, real-world experiences, and industry connections for an unparalleled head start.

Specialising in Business and STEM, we prepare ambitious students for careers of the future through a world-class approach to the IB and IGCSE.

Our international school is authorised to enrol Singapore citizens into our IBDP. No MOE approval is required.
